

QUALITY AND ENVIRONMENTAL POLICY OF GRUP GUILLÉN

GRUP GUILLEN, specialized in island transport of general non-perishable goods has established a Quality and Environmental Management System based on ISO-9001 and ISO-14001 and assumes the following commitments:

- To develop its activities in a way that always complies with the legislation and environmental regulations as well as the regulations concerning the activity of the organization.
- To develop and implement a system which allows to identify, control and monitor all environmental aspects derived from the different activities the organization carries out. The aim is to prevent the pollution of the environment, improving continuously the environmental management.
- Continuously improve the service it provides.
- Train and involve all personnel of the organization in the management of the quality and the environment.
- Establish the mechanisms and necessary resources in order to comply with the commitments mentioned above.

In consistency with the mentioned commitments quality and environmental goals and objectives will be established.

This Policy will have to be known and applied by all members of GRUP GUILLÉN.

Barcelona, 2nd January 2020

MANAGER OF GRUP GUILLÉN
JOAN GUILLÉN
